- José Carlos Ramírez

Manual

Game instructions

The goal of the game is to finish each level. You finish a level when you collected all the dragon balls. But be careful, there is a lot of traps in the level: black holes, enemies, etc...

Read the story at the beginning of the game and enjoy it!

Controls

- Right arrow: move to the right
- Left arrow: move to the left
- Up and down arrow: accelerate the rebounds
- X: shoot
- Escape: quit the game

Installation

You only need Processing 2.2.1 to launch the game.
